TODAY'S KEYS DO MORE THAN JUST START YOUR VEHICLE!

Most keys have been engineered to protect against theft. This means that the cost of replacing a key could be hundreds of dollars.

Road America Motor Club U.S. Key Plan not only protects you against the expense of stolen or lost keys, but can help eliminate the hassles of an already stressful situation.

Key Recovery

You are provided a uniquely coded key tag to include on your key ring. If your keys are lost and recovered, the finder of your keys can drop the keys in any mailbox and they'll be sent to our secure Return Center, postage paid. We will then return your keys to you at no additional expense.
